HARVEST THANKS

This morning, the children took part in a Harvest assembly and gave thanks for the food we are lucky enough to be able to eat. Each class took centre stage in assembly and delivered an excellent Harvest performance. The assembly was finished with a rendition of the Harvest Samba which raised the roof. Even the workman left us humming today!

As the Headteacher, I just want to say a huge thank you for your kind donations of food to support RAFT. Your generosity never ceases to amaze me and I am sure the RAFT charity will be very appreciative of the donations when they collect them next week.

Parents' Conferencing

Parents' conferencing will take place on Monday the 18th October between the times of 1.30 pm and 7pm. This will take place **virtually using the School Cloud system**. Further information can be found on the letter sent home with your child. The link for booking a slot will go live from tomorrow. This is a valuable opportunity for you to discuss your child's progress with the teacher. Interim report cards will be sent home on the 15th October.

PHONICS MEETING FOR PARENTS IN RECEPTION & YEAR 1

Thank you to all those who attended the parent phonics workshop in school. It was lovely to see parents working alongside their children in school and such a commitment towards helping your child develop and grow as a learner. We hope you and your child enjoyed it! Keep your eyes peeled for future learning together events.

The Running Track

It has been lovely to see the children enjoying our new running track this week before, after and during school. They have been very enthusiastic and challenging themselves each day to improve their distances already. It would be lovely to see some of our parents joining their children before and after school some days! You might even see some staff out on the track soon as well!
