Dear Parents/Guardians

What a week it has been for the school community! I am very grateful for all your support and kind words this week. The disruption COVID continues to have on our school community is upsetting for us all but I would like to thank you for engaging in testing of your children. The testing has identified a number of positive cases in school and we are hopeful that next week we should see cases start to reduce in the school community. The school remains in close contact with Public Health England who are providing valuable support and guidance. Our children at Britannia continue to amaze us all and they have shown great resilience in adapting to online lessons and learning once again. Decisions about the nativity and Lowry performance will be made next week but we are full of optimism and hope that these events will still take place in some form.

Regrettably, we have made the decision to cancel all extra-curricular clubs until after the Christmas break when hopefully we will be able to mix once again. Further information regarding extra-curricular clubs will follow in due course.

Events Next Week

Year 5 Bikeability – children will need to wear warm clothes and come dressed for the weather. It is very cold and it is advisable that children have gloves and hats to keep warm.

Next Friday is Christmas activity afternoon in school and children may come to school in their own clothes in exchange for the following:

- R,1 and 2 – items for a children's hamper.
- 3 and 4 chocolate
- 5 and 6 bottles

Your child will be sent home with raffle tickets over the next few weeks and the draw will take place on Friday 10th December 2021.

I hope you have a lovely weekend.

Mrs Longstaff
